

**NOEL!**

**CHORUS**

Noel (noel) , Noel (noel) Noel (noel) Noel (noel) Noel (noel) Noel  
(noel)Noel (noel) Noel (noel).

If I were a star then I would shine, shine, shine.

The brightest light in Heaven would be mine, mine, mine.

So all the world would know that it is Christmas time,

I would Shine (shine) shine (shine) shine.

**CHORUS**

If I were a candle I would glow, glow, glow.

My pretty light would help the world to know, know, know.

That long ago a Baby came God's love to show.

I would glow (glow) glow (glow) glow.

**CHORUS**

I am just God's child, and I can sing, sing sing.

I can make the world with happy music ring.

Sing about the peace the Holy Child can bring,

I can sing (sing) sing (sing) Sing
